**United Way of
Northwest Arkansas**

Dear Prospective Member,

Thank you for your interest in United Way of Northwest Arkansas's Gifts-In-Kind Warehouse program. This program is fulfilling a vital need in communities across Northwest Arkansas and many other communities as well.

Enclosed you will find the Application Packet you requested. Along with the application there is Policies & Procedures. All of these forms must be completed and signed by your organization's director or your church's pastor along with the necessary documents required for participation. A copy of your organization's 501© 3 is also required.

The fee is \$240 per year; it needs to be paid in full for the year. This fee is not for the product but for the staffing, utilities, and other administrative costs that the warehouse incurs. This fee must be paid in full before access will be allowed. The fee is due upon notification that your application has been approved. No Refunds.

Please fill out the "Are You Listed" form included with the packet. If you have additional questions or concerns, please do not hesitate to contact me.

Again, thank you for your interest in our Gifts-In-Kind Warehouse program.
