

# Prosperity Tomorrow

## **Parents as First Teachers**

These programs support early childhood strategies (birth to Pre-K) that increase a child's readiness for kindergarten, with an emphasis on building the capacity of parents as the child's first teacher.

## **Quality Out of School Time (OST)**

These programs increase the number of quality out of school opportunities for low-income children that will contribute to academic and life-long success.

## **Funding Focus Area – Youth Connectedness**

These programs focus on building the capacity of youth to connect and engage positively in our community.

## **Funding Focus Area – Developing Self-Sufficiency**

These programs prepare youth for a positive post-high school path and provide investments in skill development for a sustainable wage job and/or increasing the financial capability of young adults.
