

# Stability Today

## **Advocates**

These programs support advocates and mentors in helping children in poverty overcome barriers in accessing basic services.

## **Child Wellbeing**

These programs focus on strengthening the health and wellbeing of a child, including physical, mental, behavioral and/or social-emotional health.

## **Funding Focus Area – Youth Homelessness**

These programs provide solutions to support homeless children from birth to 24 years of age, including youth preparing to age out of foster care.
