

Youth Connectedness

Bentonville Public Schools

Bentonville High School ROAR (Relationships. Opportunities. Adventures. Readiness.): ROAR is a new afterschool program dedicated to creating equitable opportunities for all students by providing scholastic support, enriching experiences, and richer relationships in order to ensure a high level of achievement inside and outside the classroom.

Big Brothers Big Sisters NWA

Mentoring Matters: New Match Project: Since 1995, BBBSNWA has provided children facing adversity with strong, professionally supported, one-to-one relationships that change their lives for the better, forever. Youth mentoring is an effective way to positively affect an at-risk child. This program expands services in Washington and Benton Counties.

Siloam Springs Youth Mentoring Program

Youth Mentoring Program: This program expands the BBBSNWA youth mentoring program in Siloam Springs. Working in collaboration with Bright Futures and the public schools, BBBSNWA has created and now support many local youth mentoring matches that will help at-risk children envision and work towards a better life for themselves.

Teen Action & Support Center

The Station: Through a collaborative approach, The Station is able to offer a continuum of services in one central location, focusing on youth success and connection to the community. It will help eliminate barriers to success and propel youth forward; rates of re-offending will be lower, job and educational opportunities will be higher, and these youths will be thrust out of poverty and into a life where they can dream and do for themselves.
