**About**

**Description**

Live United Day is one of the largest one-day volunteer efforts of the year. Northwest Arkansas unites to serve Benton, Madison and Washington counties in Arkansas. Local volunteers are paired with non-profits to complete much needed projects.

For your business or organization, Live United Day provides a simple, effective and highly visible way to demonstrate strong corporate citizenship, community leadership and a culture of philanthropy. It also provides great team-building opportunities for employee groups to collaborate for a great cause outside the office.
