BECAUSE WE ADVOCATE FOR OUR COMMUNITY

We empower our community to thrive while directly improving the lives through focused efforts, convene problem-solvers, and uplift our community by addressing conditions that pose immediate barriers to long-term vibrancy.

BECAUSE WE CAN DO MORE TOGETHER

Through the United Way, your contribution is joined with others to have a more meaningful impact on our community in the areas of education, housing, healthy food access, childhood development, and physical & mental well-being.
